Dear Mr. David Rosenblatt,

We would like to thank your firm for providing excellent services to our needs. You have helped us find and import skilled workers to Canada quickly and easily for our recent project in Toronto, Ontario, Canada. Although there was very little time to have all the required items in order your firm was able work very quickly to get the workers here in the time that we needed them. We can certainly count on your professional team to recruit qualified workers and handle all the complicated immigration matters.

We look forward to doing more work with your firm in the near future.

Sincerely,
Rooflifters Inc.
